

Please don't choose the sellers registered in China, who mark the items as located in Portsmouth, as they actually send the items from China!! You will get no warranty, no support, no communication, nightmare for refund, You may receive a dangerous item or nothing at all. We urge you not to trust them.

Please check in the listings when purchasing if the item is stated as being located in Portsmouth, why it costs thousands of pounds for the 24 hours express service!
